

# HIDEOUT

## Challenge

Create an indoor fort using blankets and pieces of furniture.

## Materials

For this challenge, you will need:

- Blankets
- Pillows
- Chairs
- Couches
- Tables

## Ask

What do you already know? What do you need to get started?

---

---

## Imagine

What do you think you could create?

---

---

## Plan

Choose one of your ideas and draw what you think it will look like in the end.

## Plan Your Steps

What do you need to do? Use your model to guide your plan.

Finally \_\_\_\_\_

## Create

Follow your plan. What is working well? Is something not working and you need to try something new?

---

---

## Improve

How would you make it better the next time you do this?

---

---

## Communicate

What worked well? What was a challenge? How did you solve the problems that you had?

---

---

---

## Reflect

Give your hideout a name. Why did you pick that name?
